

Summer school classes will be held on-site at Junior High East Mondays through Thursdays from 8 am to 1pm beginning on Monday, June 8 and ending on Thursday, July 2, 2009. Students are not permitted to take more than two (2) summer school classes. There is a cost of \$65.00 per class. Completed applications AND payment must be submitted by June 5. Summer school classes are designed as self-paced activities moving through the entire year of a subject's curriculum using a computer software program. Students are not required to attend each day; however students MUST complete the entire curriculum for the failed subject(s) by July 2 in order to receive credit. Extensions beyond July 2 will not be granted so students should plan their time wisely in completing the class work to receive full credit. Transportation is NOT provided.
