REVISED:

<p>1. Authority</p> <p>Title 22 Sec. 4.13</p>	<p style="text-align: center;">101. MISSION STATEMENT/BELIEF STATEMENTS</p> <p><u>District Mission Statement</u></p> <p>Through the cooperative efforts of educators, parents and the community, the Connellsville Area School District shall provide a safe, well-maintained and challenging educational environment designed to meet the diverse needs of our school population in order to develop respectful, responsible, knowledgeable students inspired to become successful life-long learners in an ever-changing technological society.</p> <p><u>Belief Statements</u></p> <p>In the Connellsville Area School District, we believe:</p> <ol style="list-style-type: none">1. The educational program should continue to be structured so varied and equal opportunities are provided to all students for the more demanding expectations of society.2. The school setting should function as an activity in which adults and students create the wonder of learning with students as the primary focus.3. The changes which are planned in our schools require new forms of continuous professional development programs to address technical skills, attitudes and responsibilities of the entire professional staff.4. Community support for educational improvements will expand as the school district takes the initiative to establish cooperative relationships with parents/guardians and the business sector.5. The trend towards educational standards and students performance which are valued by the community will promote the development of goal-oriented behavior by students.

	<ol style="list-style-type: none">6. The changes being planned for education will require more effective collaboration among support services that are now available in the school district and community.7. The facilities should be reviewed and continually maintained to assure their adequacy for the proposed changes in the educational programs for students and community.
