

Connellsville Area School District “Hall of Fame”

Sponsored by the Connellsville Area Falcon Foundation

The Connellsville Area Falcon Foundation established the Connellsville Area School District Hall of Fame in 2010 for the purpose of recognizing outstanding individuals who have been affiliated with the District. This Hall of Fame recognition may result from achievement in many areas of life including public service, military service, careers, the arts, music, athletics, education, etc. Another purpose of this Hall of Fame is to celebrate the talent, work ethic, and spirit of the people of our school district, and thus promote a greater sense of school and community pride within the Connellsville Area. The Falcon Foundation is now accepting nominations for the Class of 2011.

Connellsville Area Hall of Fame Candidates can fall into two categories:

1. Distinguished graduates of Connellsville Area High School (CAHS) from 1967 on, or distinguished graduates of Connellsville High School (CHS) or Dunbar Township High School (DTHS) prior to 1967.
2. Persons who have not graduated from the above mentioned high schools but have greatly contributed to the advancement of education in the Connellsville Area School District (CASD) from 1967 on, or the Connellsville School District (CSD) or Dunbar Township School District (DTSD) prior to 1967.

To be eligible for induction into either category of the CASD Hall of Fame, a person must be at least 25 years of age when nominated.

Anyone with an interest in the Connellsville Area School District is eligible to nominate someone for this “Hall of Fame”.

Nomination forms can be picked up at any Connellsville Area School or can be downloaded from the Connellsville Area School District Website (casdfalcons.org).
