

Connellsville Area Career & Technical Center

Admission Criteria

Students interested in attending Connellsville Area Career & Technical Center are encouraged to participate in a tour/visit to the school prior to selection of a technical program.

Students will be eligible to attend any of the Technical Programs only if their schedule permits a minimum of 3 consecutive periods and district credit requirements have been met.

Application can be made through the high school/career center guidance counselors.

Notice of Non-Discrimination

The Connellsville Area School District is an equal opportunity employer and educational institution and will not discriminate on the basis of race, color, national origin, sex, disability or age in its activities, programs or employment practices as required by Title VI, Title IX and Section 504. Inquiries or grievances should be directed to Karen Marko 724-628-3300.
