## Notice of Supplemental Educational Services (SES) Please Read: Important Information Affecting Your Child

August 12, 2009

Dear Junior High West Parent or Guardian,

You received a notice that Junior High West did not make Adequate Yearly Progress (AYP) for the fourth year in a row, based on 2008-2009 Pennsylvania System of State Assessment (PSSA) results and is in Corrective Action I. The notice outlined the groups and the areas that did not make Adequate Yearly Progress.

In addition to the services that were mentioned in the notice that are being provided at the school, your child(ren) qualify for Supplemental Educational Services (SES). SES is tutoring that is provided to your child(ren) by a Pennsylvania Department of Education approved provider. This service is provided outside of the regular school day and, depending on the provider, may be online through the internet, locally within the community, or directly in your home. The provider will develop a program that specifically addresses your child(ren)'s academic areas of need. The program is provided at no cost to you.

If you would like to receive these additional educational services under SES, you will need to do following:

1. Select an approved provider from the following list.
2. Contact a provider directly.
3. Discuss the provider's services and decide whether to work with that provider or contact another provider.
4. Arrange the details for the service to be provided directly with the provider from your final selection.

Once you have arranged services with a provider, the provider will contact the Connellsville Area School District to arrange for the payment for your child's program.

Following is a list of the approved providers and a brief description of the types of services they provide. A complete explanation of each provider including contact information is also enclosed:

- **ATS Project Success** provides individual and distance learning tutoring.
- **Club Z In-Home Tutoring Services, Inc.** provides individual and small group tutoring.
- **Education Futures Corp.** provides small group tutoring.
- **Huntington Learning Center** provides individual and small group tutoring.

- **Sylvan Learning Center/Ace It!** provides individual and small group tutoring.
- **The Learning Lamp** provides individual and small group tutoring.

We are pleased to offer this additional resource to you and your child(ren). If you have any questions or need help, please contact Ron Keefer, Director of Federal Programs/Technology Services at 724-628-3300, extension 1-307.

Sincerely,

John Schroyer  
Principal
